

As the 2021 - 2022 season comes to an end, so does our time with the graduating class of 2022. We have seen so much talent bless the community through our productions at Wausau Community Theatre, and we are excited to see these students flourish as they continue to grow.

To say thank you to our seniors, the Wausau Community Theatre Board of Directors will once again be accepting submissions for our Student Theater Art Recognition Award, more commonly known as the STAR Award.
