THE MUSICAL

J.D.

My granddad scored them in World War II. They contain a powerful tranquilizer. The Nazis used them to fake their own suicides when the Russians invaded Berlin. We'll knock out Ram and Kurt long enough to make it look like a suicide pact. Complete with a forged suicide note.

J.D.

My father said it was an accident, but she knew what she was doing. I was nine. My father got hired to blow up this condemned library in Texas. Norwegian in the boiler room, the usual. But this day, my mom drives out to the demolition site, me in the back seat, reading a comic book. She gets out of the car and walks into the building two minutes before Dad blew it up. She waved at me out the window, and then.....(With a *graceful hand gesture*) Kaboooooom, She left me.

HEATHER CHANDLER

Veronica, I need a forgery in Ram Sweeney's handwriting. You'll need something to write on. Heather, bend over. "Hi, Beautiful - I've been watching you...and I hope you can come to my homecoming party this weekend. I miss you...Ram" Put an "XO" after the signature

HEATHER MCNAMARA

The guy I used to date killed himself because he was gay for his linebacker. And my best friend seemed to have it all together, but now she's gone too. Now my stomach's hurting worse and worse, and every morning on the bus I feel my heart beating louder and faster, and I'm like, "Jesus, I'm on the frickin' bus again 'cause all my rides to school are dead."

KURT'S DAD

I don't really know what I'm supposed to say up here. I'm ashamed, certainly. My family has turned our town into a laughingstock. My boy Kurt wasn't who I thought he was. When I think about the sick, disgusting things Kurt and Ram were doing....

MS. FLEMING

As anyone who saw *The Breakfast Club* can tell you, all teenagers are essentially the same. Heather was not alone in feeling alone. She wanted to love everything and everyone, but something stopped her. We have to identify the other ticking time bombs out there. Identify and heal them. I gave Heather a C-minus last weekend now I lie awake at night wondering.....

MS. FLEMING

My senior thesis at Berkeley was on the subject of pediatric psychotherapeutic musicology. So I speak with some authority when I tell you that the way to eliminate suicide is by first eliminating fear. By creating a safe zone in which we are all equal!

RAM'S DAD

Okay, Ram. Have fun tonight, but I expect you to act your age. The Henderson's have the phone number for the cabin. If they call to complain, I'm gonna drive back here and knock the sand out of your diaper

VERONICA SAWYER

Yeah, the Heathers put me up to it. The whole school was in on the joke. And nobody laughed harder than Ram. He didn't love you. He was a dick, he's dead, move on!..... Shit! I had to hurt her. You see that, right? If J.D. ever caught her snooping around his stuff, he'd.....
